Standard Information/Disclaimer

Addendum

2016 CON29 PART 1 Informatives

Question 1.1(a)-(i)

The local authority's computerised records of Planning and Building Decisions do not extend back before 01.04.1974 and this reply covers only the period since that date.

Copies of entries can be obtained at a cost from the Council's Planning Department. Contact for Planning is 0118 9373737

Question 1.1(j)

As far as our officers are aware there are no Listed Building Consent Orders registered against this property

Question 1.1(l)

The local authority may not always be aware of such works and enquiries should also be made of the seller.

Question 2.1

If a road, footway or footpath is not a highway maintained at public expense, there may be no right to use it and the local authority cannot express an opinion without seeing the title plan of the property and carrying out a site inspection.

A Highway Extent search is required, this can be obtained from the Council's Highway Department at a cost. Please contact Highway's direct on 0118 9373737

Question 2.2

A definitive map for Reading Borough Council has been published. However, a survey of all paths has not been completed and whilst this does not preclude the existence of unrecorded rights of way, the local authority is unaware of any claimed rights of way existing over the search site. If in doubt please contact the Council's Highway Department for further information.

Question 3

With reference to questions 3.1 to 3.15 matters already entered on the Local Land Charges Register will not be revealed to in answer to this enquiry.

Question 3.6

In some circumstances, road closures can be obtained by third parties from magistrate's courts, or can be made by the Secretary of State for Transport without involving the local authority.

Question 3.9

A negative reply to any of the questions a - n does not necessarily mean that there are no notices as eg enforcement notices, tree preservation orders will be listed in the Register of Local Land Charges and thus appear in response to a request for a search of registrations.

Question 3.13

A negative reply does not imply that the property or any adjoining or adjacent land is free from contamination, or from the risk of it, and the reply may not disclose steps taken by another local authority in whose area adjacent or adjoining land is situated.

Question 3.14

Please note in Reading more than 99% of homes are below the action level. Therefore this property does not lie within any protection against the Ingress of Radon Gas is currently required.

CON29 PART 2 Informatives

Question 8

You are advised to seek further information from <http://www.linesearchbeforeudig.co.uk>

LinesearchbeforeUdig (LSBUD) is a free to use internet based enquiry service available 24/7. It provides a single point of contact for all enquiries relating to the apparatus owned and/or operated by the Asset Owners protected by LSBUD, including underground and overhead transmission/distribution electricity networks, transmission/distribution gas networks, oil pipelines, and fibre optic networks.

These replies have been given in accordance with the notes appended to CON29 form.

References to the provisions of particular Acts of Parliament or Regulations include any provisions which they have replaced and also include existing or future amendments or re-enactments.

The replies will be given in the belief that they are in accordance with information presently available to the officers of the replying local authority, but none of the local authorities or their officers accepts legal responsibility for an incorrect reply, except for negligence.

Any legal responsibility for negligence will be owed to the person who raised the enquiries and the person on whose behalf they were raised. It will also be owed to any other person who has knowledge (personally or through an agent) of the replies before the time when he purchases, takes a tenancy of, or lends money on the security of the property or (if earlier) the time when he becomes contractually bound to do so.

This Form should be read in conjunction with the guidance notes available separately.

Area means any area in which the property is located.

References to the Local Authority include any predecessor Local Authority and also any Local Authority committee, sub-committee or other body or person exercising powers delegated by the Local Authority and their approval includes their decision to proceed. The replies given to certain enquiries cover knowledge and actions of both the District Local Authority and County Local Authority.

Where relevant, the source department for copy documents should be provided.
